Maniac Shoots Up Fashionable Church

One Vestryman Shot and Instantly Killed, Others Wounded Before Maniac Is Overpowered (United Press)

New York, April 19.—"Ignorance of God Through a Darkened Understanding and Blindness of Heart" was the text which Dr. Karl Reiland, pastor of the fashionable St. George's Protestant Episcopal church, chose yesterday.

The minister had just finished this sermon, and the vestrymen were passing the collection plate, when Thomas W. Simpkin, a man with a darkened understanding jumped from the pew and started to shoot.

Dr. James Wright Markoe, physician for the family of the late J. P. Morgan, who was passing the collection plate, fell dead, struck by the first shot.

The second shot grazed the cheek of J. Morgan Jones usher, and the third narrowly missed Herbert Satterlee, son-in-law of J. P. Morgan.

C. L. Stafford, the organist, continued to play and the choir to sing.

Many in the congregation jumped to their feet and pursued the assassin. Dr. George Brewer and U. M. Fellows Morgan took up the chase and caught the maniac and seized his revolver which he was still firing in Stuyvesant Park. Dr. Brewer was shot in the thigh.

Simpkin had recently been released from a Virginia asylum for insane. He was an inmate at the asylum for the insane at Fergus Falls about a year and a half ago. Steps were being taken to have him recommitted.

Came to America to Kill Morgan

Thomas W. Simpkin, an escaped lunatic who shot and killed Dr. Jas. Wright Markoe during services in the St. George church yesterday, came to this country five years ago from England "to kill J. P. Morgan" according to the story he told Assistant District Attorney O'Shaughnessy today.

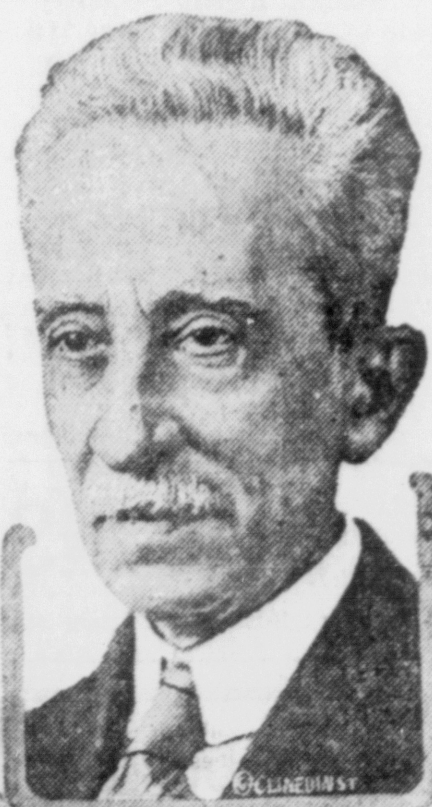

O'Shaughnessy reported the interview to Magistrate Simpson, when Simpkin was arraigned and held without bail on charges of homicide and assault, for examination Wednesday. Simpkin said that Morgan's death had foiled him, but he had another individual in George Miller of Duluth, Minn., O'Shaughnessy reported. "He said Miller in a speech had advised the people of Duluth to shoot all I. W. W. on sight; that he told this to radicals and that Miller ought to be put away." Simpkin said he does not feel sorry for Dr. Markoe, but is sorry for his wife.

The only charge to which Simpkin pleaded guilty was carrying in his possession firearms. He pleaded not guilty to the homicide and assault charges.

Johnson makes Fight in N. J. Primaries

By HAROLD JACOBS

(United Press Staff Correspondent.) New York April 19.—One of the most bitter fights of the pre-convention campaign is under way in New Jersey.

The state is much more of a turning point in the aspirations of Senator Johnson than the twenty-eight delegates would indicate.

Senator Hiram Johnson is struggling for foothold in the east.

General Wood is working to prevent a repetition of the Michigan disaster.

Johnson's friends regard the New Jersey primaries as vital. If he fails in the state endorsement many of his supporters are admittedly dubious, since trained political observers hold the California Senator must make a showing in the east.

General Wood also has severe tasks in the Nebraska and Montana contests this week, and in Ohio next week.

Mary Pickford Plans Court Fight

Confers with Husband, Former Spouse and Attorneys—Would Take Highest Appeal

Los Angeles, April 19.—At a conference in the Beverly Hills home Saturday between Mary Pickford, Owen Moore her first husband, and Douglas Fairbanks, her present husband, and the attorneys in the case, it was decided first to interpose a demurrer to the complaint filed by the attorney general of Nevada to void the divorce decree granted Miss Pickford from Owen Moore and, if that failed to quash the proceedings, Miss Pickford and Moore will then make answer to the complaint setting up flat denials to each and every allegation of fraud, collusion, perjury and conspiracy.

The fight it was announced is to be a bitter and uncompromising one and to a finish in the highest court in the land that it is possible to reach, if victory is not obtained sooner.

All of the defendants issued formal statements today making emphatic denial of any wrongdoing in the matter. Miss Pickford said:

"I simply have to say that there was no deceit on my part in the trial and that there was no collusion between Mr. Moore and myself. I have no fear of the outcome, and I have the greatest confidence that the decree, which was rightfully obtained, will stand."

Will Maintain Open Shop

New York April 19.—Labor should be subject to governmental control and regulation like any other organization Judge Elbert H. Gary chairman of the United States steel corporation said today in outlining the company's stand on unions at the annual meeting of the stockholders.

"Discrimination by law in favor of or against any particular class is detrimental to the interest of the general community."

"It contradicts the fundamental principles of the government."

Gary reiterated the laws of the company to maintain the open shop.

Explosion Kills Six

Allentown, Pa., April 19.—Six men were reported killed in a premature explosion in the quarry of the Lehigh Cement company at Omrad today.

Two Day Blizzard Visits Denver

And is Now Sweeping Over Nebraska and Wyoming—Transportation is Badly Hampered

Denver, Col., April 19.—A two day blizzard which tapered off here into a light snow today after bringing all steam railroads in Colorado to a stand still, was reported to be sweeping northwestern Nebraska and Wyoming today. A dozen passenger trains were stalled, some since Saturday afternoon. Milk delivery in Denver has been impossible since Saturday afternoon. Thousands of homes are short of food stuff.

High Winds Fatal to Many

From Five to Twenty-five Reported Killed in Arkansas Hurricane (United Press)

Little Rock, Ark., April 19.—The death list in the high wind which swept down the Hackey valley and Hackeytown, Ark., last night was estimated today at between five and twenty persons, according to reports received here over demoralized wires. Scores were reported injured and thousands of dollars worth of property damaged.

Senator Applauds Overall Revolt

(By United Press)

Washington, April 19.—Declaring that he has no "love for dudes" Senator Dial of South Carolina, today in a speech to the senate applauded the overall and calico revolt against the high cost of clothes.

"Let us wear old clothes and refrain from purchasing anything we can do without and the country will soon be in joint again."

"Let us take the advice of the former secretary of the treasury and get our old shoes half soled and put patches on our trousers."

Three Million Students on Strike

As a Protest Against the Government's Proposal for Direct Negotiations on Shantung

CHARLES EDWARD HOGUE (United Press Staff Correspondent.) Shanghai, China, April 19.—Three million students throughout fourteen northern provinces of China went on strike Sunday in protest against teaching or advocating direct negotiations with Japan on Shantung according to reports received here.

The students are seeking to enlist the support of China's hundreds of million trade unionists.

Abrogation of the secret treaty is demanded by the students who have promised they will not molest foreigners.

Spurgeon, professor of English literature in the University of London and president of the Federation of University Women of Great Britain, who is touring this country as the guest of the Association of Collegiate Alumnae to further the International Federation of University Women.

No Court Decision on Prohibition

(By United Press)

Washington April 19.—No decision on constitutional prohibition was announced today by the supreme court. Next Monday is the latest date upon which a final decree on this question is to be made public.

Strikers Denied Hearing

RALPH COUCH, (Written for the United Press)

Washington, April 19.—Jersey City outlaw strikers today were denied a hearing by the railroad labor board.

This was under a rule adopted by the board, which requires workers with a grievance to first try to settle it in a conference with their employers. The rule states emphatically that the board will refuse to hear grievances which have not first been submitted to the employers.

Sen. LaFollette To Be Operated on

Madison, Wis., April 19.—Announcement was made at the office of Senator Robert LaFollette that the senator will not leave for the Mayo hospital at Rochester Minnesota until the latter part of the week. He was reported resting at his farm home. The senator will submit to an operation for removal of gall stones from which he has been suffering for several years.

Wilson's 14 Points All Violated

In the Turkish Peace Treaty, in the Opinion of Prominent Turkish Diplomat

CAMILLO CIANFERRO, (United Press Staff Correspondent.)

San Remo, Italy, April 18, night.—"Every one of President Wilson's principles have been violated" in the allies treaty of peace with Turkey, Camillo Kenali Bey, member of the Turkish armistice commission and a former ambassador to Berlin, said in an interview here tonight. When asked whether the terms of the treaty had been communicated to him, the Turkish representative said:

"Not officially. Probably the peace conferees considers that action superfluous. The world however will be surprised to hear that every one of President Wilson's principles have been violated."

"The treaty is essentially a British product which aims to surround Turkey and cut communication off with the Moslem world."

"But what use is talk."

Fire Reported at Bush Terminals

(By United Press)

New York, April 19.—Ambulances were rushed to the Bush dock when fire broke out at 2 p. m. today. Police reported two explosions in which several persons were said to have been injured. The steamer Hellfried was afloat according to Brooklyn police.

Three Men Injured

Washington, April 19.—The Norwegian steamer Hallfried, registered at Berlin, was afloat off the Bush terminal at Brooklyn early today.

Two fire boats were fighting the blaze. The fire broke out following three violent explosions at the water front.

The vessel was loaded with nitrate. Three men were injured. It was feared others might have been hurt.

For a time it was feared the great terminal would be menaced but tugs succeeded in towing the Hallfried into mid stream.

The fire was one of the most spectacular ever seen on the water front. Police reserves were ordered to keep the crowd back. Firemen were hampered by the constant explosion of chemicals. At 2:30 the flames had spread to several oil barges.

6 Taken by U. S. on Profiteer Charge

Representatives of Three Packing Companies Held After Federal Agent's Inquiry

New York, April 19.—Louis Joseph, Brooklyn, representative of a packing company, was arrested late today and held in \$2,500 bail for examination on charges of profiteering. Federal agents complained he used the railroad strike as a pretext to increase prices and specifically charged him with selling fresh beef at 33 cents a pound which a few days previously had sold at 26½ cents. Representatives of two other packing companies were arrested yesterday.

Eugene A. Sullivan, known in the West Side market district as the "potato king" and head of the Eugene A. Sullivan company, was arrested on a charge of profiteering. Complaints against him, sworn to by department of justice agents, alleged he sold 45,000 pounds of potatoes for which he paid \$5.15 a 100 pounds for \$6.75 a 100. Sullivan waived hearing and was held in \$1,000 bail.

John Fleming, vice president, and Henry H. Shule, general manager, of the New York & New Jersey Produce company (inc.) were arrested on a charge of violating the Lever act in that they sold potatoes they had purchased from Sullivan at \$6.75 a 100 pounds for \$13.50 a 100. They were held in \$1,000 bail each and were paroled until Monday to furnish bond.

French Policy Demands Fulfilment of Treaty

(By United Press)

Paris April 19.—France's program regarding Germany at the conference of the council of premiers which opened at San Remo today will be complete disarmament of Germany, and the execution of every clause of the treaty of Versailles, former President Raymond Poincaré said in an article in Lematine today.

After justifying France's action in occupying German Rhine cities, Poincaré urged the necessity for close Franco-British collaboration in execution of the treaty of Versailles.

Civil Courts Have Jurisdiction

Washington, April 19.—The supreme court today held that the civil courts have jurisdiction over soldiers in the time of war, in refusing to grant a writ of habeas corpus to Edward Caldwell, negro, sentenced to death for killing a street car conductor near Anniston, Alabama. The government had intervened on behalf of Caldwell, on the ground that decision of the federal court were conflicting.

Millions for Railroads

Washington, April 19.—The house appropriation committee today reported out a deficiency bill carrying \$300,000,000 for expenses incurred during federal control of railroads and \$9,177,000 for other deficiencies.

More Rebel Troops Arrive

Agua Prieta, Mexico, April 19.—Four additional troops of four hundred Sonora cavalry men arrived here within the last twenty-four hours, making 1500 troops now stationed in this border town to oppose the Carranza government.

Boston, April 19.—Peter Trizoulidas, of New York, today won the Boston marathon race. He covered twenty-five miles in two hours, twenty-nine minutes and thirty-one seconds.

President Plans On Entering Political Arena

According to Persistent Reports in Washington—Will Demand Democratic Convention Nominate League of Nations Candidate

HUGH BAILLIE

(Staff Correspondent United Press.) Washington, April 19.—A dramatic eleventh hour reappearance of President Wilson in the political arena is being planned, according to persisting reports in circulation among Washington politicians today.

The plan is said to be to have the President suddenly plunge into the campaign, probably late next month. One of his first acts would be to send a message to congress asking it to remain in Washington throughout the summer, and pass legislation which he would urge. Should such a program be carried out, it is expected the message would be followed by a public appearance of the President and a speech by him.

The plan according to these reports would be carried out to give force to a demand to be made by the President that the democratic convention nominate a candidate to run on a league of nations platform, with a plank praising achievements of the administration and promising to carry on its policy—in other words a "Wilson man."

The story, apparently, is based on the idea that President Wilson is in better health than generally supposed and is awaiting the psychological moment to assume greater activities. In support of this, it was pointed out, his attention to official duties as the cabinet members saw no trace of his illness when he presided at the cabinet session last week. Also all the democratic presidential possibilities, except A. Mitchell Palmer, are keeping in the back ground, evidently not knowing what Wilson intends to do, and at the democratic headquarters the idea of a pre-convention campaign such as the republicans are conducting is deprecated. Cancellation of Wilson's plan for spending the summer at Woods Hole in Massachusetts, likewise is regarded as indications that there is "something in the wind."

(By United Press)

Upholds Minnesota Law Washington, April 19.—The supreme court today held constitutional the statutes of limitation of Minnesota. Gus Eggen obtained damage from the Canadian Northern railroad when the lower court held invalid the provision of the statute preventing the bringing of such action in Minnesota after it is barred by lapse of time in other cities of the country.

Buys Mining Stock

St. Paul, April 19.—C. L. Alexander, of Fergus Falls, today purchased stock in various mining companies held by Frank Hawlik, former cashier of the State Bank of Silver Lake.

The bank was taken over by the state department of banks in February 1919 as a result of alleged embezzlement by Hawlik and the notes on which Hawlik made investments in mining stocks were taken over by the superintendent of banks and offered for sale to the highest bidder at the state capital.

Texas Opposes Mexican Troop Movement

Austin, Texas, April 19.—Texas today voiced a formal protest against any movement of Mexican troops through its territory. Governor Hobson telegraphed Secretary Colby today that he "is unalterably opposed to any such movement."

Prosecuting Profiteers Promised

Washington, April 19.—Extensive prosecution of profiteering will come within thirty days if investigations now being conducted by the department of justice has disclosed the expected evidence Howard Figg, special assistant to the attorney general, told the senate sub-committee investigating shoe prices.

Supreme Court Notice

Washington, April 19.—The supreme court today announced it would hear no more arguments at this term of court after April 30. No petitions for certiorari will be received after May 31, indicating the court will adjourn early in June.

Chinese New Year.

For several weeks before the New Year, Chinese business men do everything in their power to get money to pay off all their debts, for a Chinese cannot pass over the year until all his obligations are paid or provided for. The New Year celebration usually ends with the Feast of Lanterns on the fifteenth day of the first moon. Lanterns of all sizes and descriptions are displayed, some representing and nials, some flowers, some fruit, some in the shape of dragons. The lanterns are made of silk, cotton or gauze, painted in beautiful colors.

George F. Thompson

By a unanimous vote, the New York Assembly voted to deny State Senator George F. Thompson of Niagara County the privilege of the floor of the lower house during the 1920 session. In the same resolution they denied Thompson's charge that large quantities of liquor were drunk during an all night debate on the ousting of five Socialist Assemblymen and branded Senator Thompson's allegation as "unwarranted and untruthful." Thompson is the prohibition leader in the upper house.

Children's Hospital Sites.

One of the most noted children's hospitals in England is the Alexandra hospital, which was always the pet charity of Queen Alexandra, and in which she takes the greatest personal interest at the present time. The children treated in this hospital are those suffering from hip disease, one of the most tragic diseases that a child can have. Ever since it was opened the hospital has been in the heart of London streets, but it has been decided that it shall be removed to the Caversham hills. The Great Ormond Street hospital for children in London will establish a branch in the country in the form of a children's village. The general feeling seems to be that children's hospitals should be away from the noise and dirt and impure air of the city, in this country as well as in England.

CLUB PROGRAM AT
CHAMBER COMMERCE

Large Attendance Present at the Saturday Afternoon Session, Mrs. Mal Clark Hostess

REPORTS OF OFFICERS READ

Varied Program of Instrumental Music, Vocal and Readings Presented to Club

The Brainerd Musical club held its last meeting of the year in the Chamber of Commerce rooms Saturday afternoon April 17.

Mrs. Mal D. Clark was the hostess and an enjoyable program of entirely home talent was presented to the large and appreciative audience. The president, Mrs. D. M. Clark called the meeting to order.

The recording secretary, Mrs. G. W. Mosier gave a very interesting and comprehensive report of the club's activities the past year. In recognition of efficient and faithful service rendered the club, Mrs. Mosier was given a rising vote of thanks.

In courtesy to the Parent-Teachers Association which now has charge of educational affairs, it was decided to disperse with the educational committees.

The price of admission to non-members to artist's recitals was raised from fifty to seventy-five cents.

In her report of the year, Mrs. A. C. Weber showed a balance of \$241.35 in the treasury. Miss Mabel O'Brien, chairman of membership committee reported two hundred and fifty-two members with the hope of an increase the coming year.

The report of the literary committee was given by Miss Mary Walsh in the absence of the chairman, Mrs. W. C. Cobb.

The work of the Study class this year consisted mainly in topics devoted to the preparation of women to assume the new duties which the franchise impose.

Mrs. H. Knapp, chairman of the Christmas Seal Sales Committee reported total amount received \$468.75 with expense amounting to \$150.

The musical part of the program opened with a trio, "At Dawning," Cadman-Rissland; violin, Miss Kathleen Gemmell, Miss Alice Johnston; cello, John Gemmell; piano, Mrs. W. A. M. Johnston. In response to continued applause of their pleasing number they favored the audience with "Spanish Dance," Moritz Moszkowski.

Miss Jean Burnett appeared before the club for the first time as a reader and immediately drew all to her by her sweet natural rendition of "How Girls Fish." In response to an encore she gave in a charming, tender manner "An Old Old Lady."

Miss Mildred Skauge delighted her hearers with a piano solo "Lorence." Liebling. She received much applause, but the audience had to be content with the one number.

The vocal solo by Alfred Mraz "Blow, Blow, Thou Winter Wind" showed his fine voice to perfection and he was compelled to respond to an encore which he did by giving "Gypsy Love Song."

At the close of the last number trio "Romance," Debussy, the president in a few well chosen words bade the members adieu with the wish that all may meet at the opening number in the fall.

MRS. W. H. CLEARY
NAMED TREASURER

Sixth District League of Women Voters Were in Session at St. Cloud Saturday

MRS. W. H. GEMMELL A SPEAKER

As Member Committee on Child Welfare She Spoke of Where Laws Fail to Protect Children

Miss Ruth Mitchell of St. Cloud was chosen to head the Sixth District organization of the Minnesota League of Women Voters at the business meeting held as part of the morning session of the convention Saturday at Elks hall. Other officers selected were: First vice president, Mrs. H. Mathews, of Wadena; second vice president Mrs. Nickerson of Elk River; secretary, Miss Hoff of Little Falls; and treasurer, Mrs. W. H. Cleary, of Brainerd. The present organization was declared temporary, to take effect until it could be made permanent at a later date. The convention also went on record as endorsing the Shepherd-Towner bill, the Fess-Capper bill, the appropriation of \$472,220 for a children's bureau, and the Guard-Curtis bill. They also urged the appointment of an executive agent for the Child Welfare board, to co-operate with the juvenile court.

Counties Important

The importance of the county as a political unit, and the necessity of strong county and township organizations, especially among women living in the country, was brought out in the talks given at the morning session.

Mrs. William T. Cole, chairman of the organization for the state, spoke of the importance of having capable women to lead the county and township boards, and the same time of getting all women in the rural districts to join, as only in this way could the viewpoint of all women be secured.

Says "Join Parties"

"Join a party," said Miss Emily Knubuhl director of political education for the state organization. "Make up your mind to it, hold your nose, and go in. You may be afraid at first, but like swimming, it is not so bad after you take the plunge. Go home and make up your mind about these things—women need to become men never did. Tell your neighbor about the League." She said that the things which interest women are not transportation, oil supplies, or boundaries, but the home.

"The form of government counts 20 per cent," she said, "the personnel 20 per cent, and public opinion 60 per cent. It has been put up to us now to prove what we can do. No woman ever failed to make good when she was put on her honor. Attend the schools which will be held for one two and three days throughout the state, and you need never be ashamed to express yourself regarding political problems. Think clearly, act wisely, be just to capital and generous to labor."

Minnesota Laws Fair

Miss Florence Monahan, of Shakopee gave an excellent talk on the subject of the unification of the laws of the United States. She said Minnesota laws were fair.

Mrs. W. H. Gemmell

Mrs. W. H. Gemmell served as a member of the resolutions committee. As chairman of the committee on Child Welfare, she talked on the subject "Where Our Laws Fail to Protect Children." She stated the national question before us was Child Welfare, and the loss of young children. She said even though the state furnished funds for school and visiting nurses, yet they did not reach the nursery. Each state should have a state and local child welfare committee. Many laws have been passed on child labor but some have failed to be enforced. She said it behooves each and every one of the League of Women Voters to look after child labor. An executive agent should be appointed in each state to look after child welfare, to keep the children with high standards, and not let them go beneath their standards. She asked that organizations should be made for young girls and boys and that there be less absence from schools. It was stated by Mrs. Gemmell, that is where children become careless. She stated that many people look down on the idea of women holding the same rights as men as they would lose their new featured policies but it was not so, as they would draw on large reservoirs of faith, hope and love in order to be effective in their work.

Hacking Coughs

"For Hacking Coughs that rob you of your sleep till your system becomes so run down that you are in grave danger of Pneumonia or Consumption, the kind that almost tear you to pieces, that make your head ache, your throat sore and inflamed, take

Chamberlain's Cough Remedy

It soothes and heals the inflamed air passages, stops the tickling in the throat, and by its tonic effect enables you to throw off the disease. Chamberlain's Cough Remedy is quite different from the ordinary cough medicine, for it not only soothes but also heals, so that the effected parts are restored to a healthy condition and the danger of a future attack is removed. I firmly believe that it is the best and most reliable preparation ever produced for coughs and colds.

FIERY, ITCHING SKIN
IS QUICKLY SOOTHED
WITH THIS SULPHUR

Mentho-Sulphur, a pleasant cream, will soothe and heal skin that is irritated or broken out with eczema; that is covered with ugly rash or pimples, or is rough or dry. Nothing subdues fiery skin eruptions so quickly, says a noted skin specialist. The moment this sulphur preparation is applied the itching stops and after two or three applications, the eczema is gone and the skin is delightfully clear and smooth. Sulphur is so precious as a skin remedy because it destroys the parasites that cause the burning, itching or disfigurement. Mentho-Sulphur always heals eczema right up. A small jar of Mentho-Sulphur may be had at any good drug store.

OAK STREET PAVING

In paving Oak street the city council, as well as the county commissioners, should provide for a well constructed, safe and permanent paving that will pass the inspection of the State Highway Commission and thus obtain state aid in case of the passage of the Hancock amendment, and at the same time will not be more expensive than is necessary and thus entail additional and unnecessary expense upon the property owners along Oak street and the tax payers of Brainerd.

Having this in mind it is difficult to understand the action of the council taken at its meeting of Saturday night, which was called as a joint meeting with the county commissioners, but which was not so held, when the council voted in favor of spending approximately \$16,000 more for paving Oak street with the patented bitulithic paving than with the highest grade of concrete paving according to the state's specifications.

If the city spends more than is reasonably necessary for the Oak street paving, then the paving program for Kingwood, Kindred, South Sixth, Laurel and other streets will be indefinitely delayed because the city's financial ability is certainly very limited. The difference that the council proposes to spend will pay the city's share for from eight to ten blocks on some other street needing paving and surely there are some others that need it.

Warren Brothers, of Boston, own the patent for bitulithic paving and every contractor who lays it must pay them a big royalty for the privilege. Because of this royalty, which the taxpayers really pay, they, their representatives, can spend considerable money to get this paving, at the additional expense of \$16,000 to the taxpayers, adopted by the city council for Oak street, and to this end they very recently took certain members of the city council to the cities to show them the merits of bitulithic paving. This trip was made at the expense of Warren Bros. or their representative and naturally the council members taking it, only saw what was favorable to bitulithic paving, and could not and did not make an impartial investigation.

In the future it will be more economical to the city and its tax payers if the city pay the expenses of these trips, for then the investigation will not be under the direction and influence of an interested party, and those taking it will not feel under obligation to the one footing the bill.

The taxpayers and citizens should study this matter and the property owners along Oak, Kingwood, Kindred, South Sixth and Laurel streets should be particularly interested and have something to say about this matter at the mass meeting called by the county commissioners for Thursday evening.

Checkers Older Than Chess?

Chess players are privileged to call the checkerboard a chessboard, but the defender of checkers insists that it is a much older game than chess and that the board therefore is fundamentally a checkerboard. F. W. Young observes in the Providence Journal. He cites authority to prove his point and declares that research indicates that checkers had its origin among the Romans about 300 B. C. and that the game of chess was not devised until about 500 years later. He says that inscriptions on Egyptian monuments give checkers a much greater antiquity than chess, and he quotes a now obsolete cyclopedia which says: "The game is supposed to have originated 2,000 years B. C. and to have preceded chess."

AMUSEMENTS

At the New Park Tomorrow

The latest William Farnum production, a splendid picturization of the Zane Grey novel "The Last of the Duanees," contains some of the most magnificent locations ever "shot" by a camera. In the character of "Buck" Duane in this stirring story of Texas border life, which will be presented by William Fox at the New Park Theatre tomorrow, Farnum is hunted by many posers, always eluding them until he voluntarily gives himself up.

Toward the last he is chased by a posse which drives him across desert and mountain till he gets into a canyon from which there is no escape. For this scene Director J. Gordon Edwards found Cathedral Canyon, one of the most wonderful natural beauties in America aside from the Grand Canyon of Arizona.

To get to this place the members of the Fox company had to go by machine toward India, and then on horseback more than seven miles to the entrance of the canyon.

Once within the canyon, there comes to view a natural amphitheatre of granite, the smooth sides of which rise to a height of more than a thousand feet. This height Mr. Farnum and a band of cowboys had to scale, climbing on hands and knees. A slip might mean instant death. The height was scaled, however, without accident.

At the New Park Soon

Four players who were in the support of Nazimova in her big Oriental drama, "The Red Lantern" are again cast with her in her newest production, "The Brat," to be shown at the New Park Theatre soon. They are Frank Currier, Darrell Foss, Amy Veness and Henry Kolker. The brilliant Russian artist's leading man in "The Brat," Charles Bryant, did not appear with her in "The Red Lantern," although he was her leading man in all of her other big screen successes.

In addition Bonnie Hill, Milt Davenport and Ethelbert Knott have excellent parts in "The Brat."

She Feels Like a New Person

So many women suffer from kidney trouble without realizing the cause of their sickness that this from Mrs. S. E. Mills, R. P. 5, Xenia, O., will be read with interest: "After taking Foley's Kidney Pills I surely feel like a new person." Aching back, rheumatic pains or other symptoms should be given prompt attention. H. P. Dunn. mwf

Ancient Uses of Rings.

One of the earliest uses to which rings were put was to make an impression of an engraved design or device upon letters or documents. Whenever an ancient monarch wished to give validity to a certain royal decree, he would take off his huge seal ring and make an impression with it upon the document. A curious superstition used to which signet rings were put is told in Plutarch's Lives. A number of signet rings were thrown into a heap, and one was pulled out at random, the design which the signet bore being interpreted as a favorable or unfavorable omen.

IF KIDNEYS AND BLADDER BOTHER

Take a glass of Salts to flush out your Kidneys and neutralize irritating acids.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it. Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again. Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.

DEADLOCK ON OAK STREET PAVING WORK

County Commissioners Favor Concrete at \$80.565.75, as Represented by Johnson Co. Bid

PUBLIC MASS MEETING CALLED

City Council Favors Bithulitic Top on Gravel Concrete Base \$96.955.18

The bids on paving Oak street from 6th to 19th streets, as received by the county commissioners Saturday afternoon were:

McCree, Moos & Co. concrete, \$3.44 per square yard, total \$84,596.04.

Ed. Johnson of Superior, Wis., concrete \$3.25 per square yard, total \$80,565.75.

General Contracting Co., bithulitic top on gravel concrete base \$3.98 per square yard 21,441 yards equals \$85,335.18. To this is to be added grading \$6,279, overhaul \$300, remove old curb \$385, building new curb \$1100, sewer inlets \$506, manholes \$500, 12 inch storm sewer \$2750, making a total of \$96,955.18.

Schrenth Welch & Co., on concrete \$4.65 total \$110,468.15.

The bids as received by the county commissioners were read at the special council meeting Saturday evening, April 17 the figures being presented by City Engineer Campbell.

After a lengthy discussion in executive session it was moved by Alderman Hagedahl and Lyons that the contract for the repaving of Oak street be awarded to the General Contracting company for a gravel concrete base with bithulitic top, with the understanding that only such contract be awarded as will be approved by the Minnesota Highway Department, with the assurance that refunding will be made in full for the eighteen foot center strip of said roadway in the event the Babcock amendment is passed.

On a vote by ayes and nays the following aldermen voted.

Aye—Lyons, Witham, Koop, Rasch, Andrew Anderson, A. G. Anderson, Hagedahl and Cordes.

Alderman Michael voted nay.

President J. H. Strickler was not present at the meeting. Alderman F. M. Koop presided, being so named by vote as Vice President Michael was not present at the opening of the session.

Alderman Michael explained that as the city had many streets to pave that he favored the concrete as it was proving a most satisfactory pavement where properly constructed. That it could be resurfaced if it should not be satisfactory after it had worn a number of years. It would then be an excellent base for a tarvia or bithulitic or other top if it was so desired. He also explained that the city charter adopted in December, 1918 planned finances so that all the macadam streets could be repaved in about ten years at the old paving prices. That by buying the highest priced pavement the fund would soon be exhausted and that main arteries like South Sixth, West Laurel and the down town macadam streets could not be repaved for some years unless there were higher taxes. He explained that his vote was "no" for the reason that he believed that the finances should be made to go as far as possible and that the concrete bid was the bid the city should accept.

County Board Action

The county commissioners took up the paving bids Saturday afternoon at 4 o'clock and they recommended the bid of Ed. Johnson & Co. of Superior, Wis. With this apparent deadlock between county board and city council on the paving project, the commissioners recommending the Johnson bid on concrete at \$80.565.75 and the city council the General Contracting Co. for gravel concrete base with bithulitic top at \$96.955.18 a mass meeting has been called for Thursday evening at 8 o'clock at the district court room which will be attended by the general public, property owners city council and county commissioners.

Par Check Collection is Ordered

Collection of checks on a par basis has been ordered in banks throughout Minnesota by the Ninth District Federal Reserve bank. By the order, banks will be stepped from making collection charges on checks sent out of the city in which they are located. Of 1,474 banks of the state, 570 have not yet adopted the par collection system, according to reserve bank officials. Representatives of the Federal Reserve bank will be sent to all institutions not employing the system to discuss the matter.

MODERN WOODMEN DANCE

At Gardner Auditorium Friday Evening Was Largely Attended. Johnson Orchestra Played

The Modern Woodmen of America social dance given Friday evening April 16th at Gardner auditorium was very largely attended.

The splendid music of the L. O. Johnson's six piece orchestra was appreciated. The very latest and best selections were played, each number being encored several times. The musicians of the orchestra were L. O. Johnson, J. H. Broschinski, Olaf Ness, Gust Lind, Ernest Crust and Oscar Risberg, trap drummer of the Park theatre.

DIED SUDDENLY AT TRUMMALD

Trummal, Minn., April 15.—Mrs. Mabel Warren, wife of Ray Warren, age 39, passed away suddenly at her home Sunday evening at 8:30 o'clock. She leaves a husband, a daughter Deane age 14 and a stepson, Mrs. Warren formerly lived in Brainerd, her maiden name being Miss Mabel Gray. She was the daughter of Mrs. Mary Gray.

An autopsy is to be performed to ascertain the exact cause of death. The remains were brought to Brainerd and are now at the B. C. McNamara chapel. The funeral will be held from McNamara's chapel Wednesday afternoon at 2 o'clock. Rev. W. J. Lowrie, pastor of the Presbyterian church officiating.

"KATCHA-KOO"

Several More Ladies and Gentlemen Required for the Chorus. Make Application Now

"Katcha-Koo", Brainerd Lodge of Elks No. 615 home talent play, needs several more ladies and gentlemen in the chorus. Make application to the Exalted Ruler William V. Turcott. Rehearsals are being held in the small hall at the Citizens State bank building.

Producers for the Oriental fantasia are now in the city and various groups of characters are holding rehearsals afternoon and evening. Katcha-Koo will undoubtedly be one of the best amateur productions that has ever been given locally. A cast of several hundred people will appear.

One of the novelties will be the "Auld Lang Syne" dancing group. Another will be the "Yankee Doodle" chorus.

Another feature will be that of the Maharajah of Hunga, a premier role, and his four wives La Belle Elysee, Patsy Kildare, Chin Chin Foo and Bradditara. This group comprises the East Indian potentate and his French, Chinese, Irish and Brazilian wives will prove a great attraction.

Quick Work at Paper Mill and Printing Offices

At our directors meeting in Brainerd on March 25th we were handed the Daily Dispatch in the evening printed on paper which was pulp wood logs rolling in Rice Lake about 2:00 a. m. that same morning. Copies of this paper were presented to the directors of the Minnesota Pulp Exchange as souvenirs.

At another meeting in Brainerd I handed the audience a copy of April 5th Minnesota Exchange News. The copy for this number went to the printer in Askov at 1:30 p. m. and I had 1,000 copies with me when I left on the 7 p. m. train. 10,000 copies of this number are to be distributed to farmers clubs, organizations and associations.—Minnesota Pulp Exchange.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for a list of testimonials.

MRS. LYLILIAN EWING CALLED TO REWARD

Former Brainerd Resident Passed Away Monday at Her Home in Jamestown, North Dakota

FUNERAL TO BE ON WEDNESDAY

Born and Raised in Brainerd, Attending High School Here, Mrs. Ewing Had Scores of Friends

Mrs. Lillian Ewing, of Jamestown, N. D., died Monday at noon at her home. She leaves a daughter, Miss Elizabeth, age 14. Mrs. Ewing made her home in Brainerd before the family removed to Jamestown about four years ago.

She leaves her mother, Mrs. L. M. Koop of Jamestown, a sister Mrs. George F. Murphy of Brainerd, and brother Grover Koop of Jamestown. The body is to be brought to Brainerd for burial, arriving here Wednesday morning. The hour of the services will be announced later.

Mrs. Ewing had been in poor health the past month, and the end came on Monday. Mrs. Murphy was called from Brainerd, Dr. N. L. Linne-mann who is an uncle, came from Duluth, and were able to see her before she died.

Born and raised in Brainerd, she had many friends here. She attended the local high school. A woman of kindly thought and charitable nature, of culture and refinement she numbered her friends by the score. The deep sympathy of the community is extended the family in their sad bereavement.

HAMLINE "U" TO STAY IN ST. PAUL

(St. Paul Dispatch)

Despite the announcement that the Waseca Commercial club offers Hamline university a plot of fifty acres and \$50,000 to locate there, the executive committee of the board of trustees of the institution has definitely decided that Hamline will remain in St. Paul, for the present at least.

"Though we are seeking every means to care for our growth, we have decided that it would be an unwise move to undertake any extensive changes at the present time," said Dr. S. F. Kerfoot, president of the university.

To care for increased enrollment expected next fall, the committee has bought a residence at 1522 Hewitt avenue. This will be used as the president's quarters and the building formerly occupied by him will be remodeled and used as a dormitory.

"Since the announcement some time ago, that Hamline university is seeking a more suitable location the board of trustees has received offers from several of the smaller towns in the state," Dr. Kerfoot said. "It would be impractical to consider any such offer now, unless a very large sum of money were involved."

Get Rid of "Soring Fever"

If you lack energy—if you lack "pep"—the chances are that your bowels are sluggish. A Foley Cathartic Tablet is a wholesome physic that will rid you of biliousness, gas bloating, sick headache, sour stomach or other ills that attend indigestion and constipation. They invigorate the liver. H. P. Dunn. mwf

Robert Louis Stevenson's "Moses."

How many are aware of the fact that Robert Louis Stevenson, at the age of six, wrote a life, illustrated, of Moses? Sir Graham Balfour's biography verifies the general impression that the great novelist began writing at the earliest possible period of his boyhood. The pictures that accompany the story, according to Mr. Edmund Gosse, who has seen a copy, are even more exhilarating than the dictated text. Thus the colored frontispiece of the departure of the Israelites from Egypt shows all of them wearing top hats and several smoking pipes. Here the reasons are disclosed why their descendants stick to the dark emblem of cylindrical civilization even on the famous Brighton beach in the old country.

Dubious Prospect.

"That psychic expert says there are trees and animals in the spirit world." "Mebbe there are," said Farmer Cornsoll. "Only I must say that chopin' wood an' drivin' horses are among the things of this life that I was hopin' to get away from."

SUNDAY SCHOOLS IN CITY CHURCHES

Methodist Church School

Attendance was 199 Sunday. The talk of Rev. C. H. S. Koch of India before the entire division of the Young People was a most inspirational one and one which will doubtless bring big results. This school has no representation in the foreign field and it is hoped that some may soon respond.

Rev. Koch's talk to the entire school at the close of the lesson period was much appreciated. He dressed two girls in the national costume of the country.

The board of the school will meet at the church on next Tuesday evening April 27th.

The Intermediate department elected the following officers Friday evening:

President—Shirley Peterson. Vice President—Mildred Brown. Secretary—Erna Marohn. The school is watching with interest the effort of the church to secure a moving picture machine for the purpose of furnishing clean pictures for the school.

The social service work of the Intermediate department under the direction of Miss Maude Burrell is progressing splendidly.

First Congregational Sunday School

Attendance is still holding its own. Yesterday there were three perfect classes reported and several with only one absent. Miss Lois Chadbourne favored the school with a solo during the opening exercises. There will be special music of some kind every Sunday from now on.

The teachers and officers of the Sunday school met with Miss Dorothy Carmichael on Thursday evening. Miss Trummald was appointed assistant to Miss Greweox in the kindergarten and also organizer of that department. After the business session a dainty luncheon was served and a social chat indulged in.

The Junior Circle met with Miss Helen Polk on Wednesday evening. Plans for a sale and social were furthered, and delicious refreshments were served.

CALUMET

Has Raised a New Standard for Baking Powder

Because it is made in the most careful and scientific manner from absolutely pure materials that remain pure in the baking and insure wholesome, healthful foods.

Because it possesses the greatest leavening power.

Because it is not affected by time or weather—it never loses its strength and never fails.

Because it is most economical—you save when you buy it and you save when you use it.

These are the reasons why Calumet is the standard baking powder—the choice of millions—more being sold than of any other brand.

Try it—always buy it. Your grocer can supply you.

Calumet contains only such ingredients as have been approved officially by the U. S. Food Authorities.

LABOR NEWS

SMITTEN BY "OVERALL CLUB" EPIDEMIC

"Overall Clubs" are sweeping the country. The idea, first put into operation in Arkansas in an effort to force down the cost of clothing, has been taken up like the alluring strains of a popular melody and already the Overall brigade is stretching itself across the country.

Reports received at the Ninth Federal Reserve District Savings headquarters in Minneapolis show that "Overall clubs" are daily being formed in towns throughout the Northwest. Williston, N. D. was the first to "jump into jeans". In that city 150 business and professional men signed an agreement to wear overalls at all times, except on Sundays and at social affairs.

Winona, Minn., school boys caught the inspiration and classes at the Lincoln school surprised their teachers in bright new blue overalls. Other Winona schools are following.

At Miles City, Mont., following a favorable vote by the Hi-Y students, the male students of Custer county high school, from freshmen to seniors, are wearing overalls. The girls are reported to be organizing a calico club.

At Havre, Mont., following a vote by the Boys' Council, khaki trousers were donned by the boys and girls promptly decided to wear school dresses made of cotton material.

Lawyers Once Denied Leadership.
Popular confidence in the lawyer has swung from one extreme to the other since early colonial times, according to Francis M. Mordick, in "The Lawyer's Place in American Life." Thus, in 1645, Virginia forbade lawyers to take fees. Massachusetts closed the lawyers membership in the "Great and General Court" of the province in 1633, and when the earl of Shaftesbury and John Locke formulated the fundamental constitution of the Carolinas they prohibited lawyers from practicing for fees of any sort. No lawyer of distinction appeared in the Carolinas while that constitution was in force.

One of Many Letters
Miss Rose Florke, 209 Hawkins Ave., N. Braddock, Pa., writes: "I had a cold in my chest and fearing it would cause pneumonia I tried Foley's Honey and Tar and it was not long till I felt relieved." Many such letters have been written about this time-tried, reliable family medicine. H. P. Dunn.

HAVE COLOR IN CHEEKS
Be Better Looking—Take Olive Tablets

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must keep your body free from poisonous wastes. Dr. Edwards' Olive Tablets (a vegetable compound mixed with olive oil) act on the liver and bowels like calomel—yet have no dangerous after effect. Take one nightly and note results. They start the bile and overcome constipation. That's why millions of boxes are sold annually. 10c and 25c.

WHEN YOU WAKE
UP DRINK GLASS
OF HOT WATER

Wash the poisons and toxins from system before putting more food into stomach.
Says inside-bathing makes anyone look and feel clean, sweet and refreshed.

Wash yourself on the inside before breakfast like you do on the outside. This is vastly more important because the skin pores do not absorb impurities into the blood, causing illness, while the bowel pores do.
For every ounce of food and drink taken into the stomach, nearly an ounce of waste material must be carried out of the body. If this waste material is not eliminated day by day it quickly ferments and generates poisons, gases and toxins which are absorbed or sucked into the blood stream, through the lymph ducts which should suck only nourishment to sustain the body.

A splendid health measure is to drink, before breakfast each day, a glass of real hot water with a tea spoonful of limestone phosphate in it, which is a harmless way to wash these poisons, gases and toxins from the stomach, liver, kidneys and bowels; thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

A quarter pound of limestone phosphate costs but very little at the drug store but is sufficient to make anyone an enthusiast on inside-bathing. Men and women who are accustomed to wake up with a dull, aching head or have furred tongue, bad taste, nasty breath, sallow complexion, others who have bilious attacks, acid stomach or constipation are assured of pronounced improvement in both health and appearance shortly.
